Dear Andy

<u>Letter of Support for: Pearson BTEC Level 3 National Diploma (720) in Fitness Services</u>

I confirm that we recognise and support the above qualification.

Active Luton is a not for profit sports and leisure trust operating a variety of sports and leisure facilities for those living in Luton. It is also responsible for developing sport and has a key role helping to improve the health and well-being of residents within the local community. We currently operate 7 leisure and activity centres including Inspire: Luton Sports Village, Lewsey Sports Park, a golf course, athletics centre and an outdoor education facility. 5 of our facilities operate a health and fitness provision trading under the Profiles Health & Fitness brand. Other brands include Hydra Swim, Active Golf, Kidz Around, Active Education, Active Communities, Active Training & Development, plus Active Conferences & Events.

The BTEC National Diploma in Fitness Services is an important qualification in ensuring our health and fitness provision is successful. It offers offer those who are looking to work in Profiles Health and Fitness the skills and knowledge to provide gym-based exercise, class exercise and exercise to young people. We currently offer over 180 exercise classes per week and fitness for juniors. Having individuals who have completed an appropriate qualification to be competent allows us to deliver the wide range of services we offer.

The BTEC National Diploma in Fitness Services qualification supports entry to the following highly specialised job role within our company:

- Fitness Instructor

This role entails providing gym based instruction and may also entail delivering Exercise to Children on our junior programme or delivering Exercise Classes.

Yours sincerely

Carol Trower
Workforce Development Manager
