Dear Andy

**RE: Letter of support for the Pearson *BTEC Nationals in Performance and Coaching and Sport Development and Coaching***

As an employer in the sector we recognise the following qualifications as being fit for purpose:

720	BTEC Level 3 National Diploma in Sports Performance and Coaching	TL
1080	BTEC Level 3 National Extended Diploma in Sport Development and Coaching	TL

The qualifications will support learners to progress to employment in a range of job roles across the industry, for example in community sports coaching or into roles within sports development.

For such roles, we believe that these qualifications provide an appropriate level of knowledge and skills, meeting the needs of the business and the individual, ensuring employees are appropriately skilled for the job and able to deliver to the standard that the sector expects.

We are happy for Pearson to use this letter in support of its work with government and its agencies, to ensure that this invaluable qualification can continue to be recognised for college performance tables and 19+ funding.

Yours sincerely

Amy Lalla
