Dear Andy

RE: Level 3 BTEC National Diploma in Sport Performance and Coaching & Level 3 National Extended Diploma in Sport Development and Coaching

Further to recent correspondence, I can confirm that League Football Education (LFE) accepts and supports Pearson with the accreditation of the following qualification:

- Level 3 BTEC National Diploma in Sport Performance and Coaching
- Level 3 BTEC National Extended Diploma in Sport Development and Coaching

The qualifications map against Level 2 coaching standards and Level 3 NOS for Achieving Excellence in Sport.

On successful completion, these qualifications will permit direct entry for learners to go into the sport industry to support their career as a professional sports person or to work with sports performers in roles such as coaching or sports development.

We are happy for Pearson to use this letter in support of its work with Government and its agencies to ensure that this qualification is recognised for performance tables and 19+ funding.

Yours sincerely
