Dear Andy

**Re: Letter of support from Apex 360 Ltd**

Further to recent correspondence, I can confirm that Apex 360 Ltd accepts and supports Pearson with the accreditation of the following qualification:

- Pearson Level 3 BTEC National Diploma in Sport Performance and Coaching
- Pearson Level 3 BTEC National Extended Diploma in Sport Development and Coaching

It is agreed that these qualifications together with DBS checks would support and permit learners direct entry into employment with Apex as activators and assistant coaches. (Predominantly part-time positions developing into opportunities of full time as the individual develops and gains experience and achieves additional coaching Qualifications).

Best wishes
