Health and Social Care

See next page for details of all BTEC Level 3 Nationals Health and Social Care qualifications available as well as what to do if you are currently delivering the QCF versions of these qualifications. I've been teaching BTEC since 2002 and I don't think I will ever change now because I believe it offers so much to the students and as a teacher, I love the flexibility it offers.

I find it so interesting to teach because there is so much you can do within each topic area and the students love the interactivity.
