08 June 2017

Dear Toby

**Letter of support for *Pearson BTEC level 3 Nationals in Creative Digital Media Production.***

Digital Theatre+ is the world's leading educational platform for English and the Performing Arts. We provide over 3 million students, within 1000 schools, colleges and universities across the world with access to over 600 educational resources. These include high-quality theatre productions from world-leading theatre companies, interviews and documentaries with expert academics and practitioners, and study materials written by educational experts, including study guides, essays, and workshop frameworks.

As an employer in the sector, we recognise the following qualifications as being fit for purpose:

***Pearson BTEC level 3 National Extended Certificate in Digital Content Production***

***Pearson BTEC level 3 National Extended Certificate in Digital Film and Video Production***

We confirm that these qualifications will provide learners with the specialist knowledge, and give them the opportunities to develop the skills and behaviours that employers in the industry are looking for.

The qualifications ensure that the learner can demonstrate relevant skills, behaviours and knowledge to progress to entry level employment in the media industry.

The qualification will also support the individual, should they chose to progress into further training, via a level 3 qualification or an apprenticeship, and is a good preparation for either progression route.

Yours sincerely

Fiona
