# Unit mapping at a glance

This table shows all the units and maps the content across from the QCF (2010) Nationals in Public Service (Uniformed) specification.

Shaded units are externally assessed.

| Unit (number and title) | Unit size (GLH) | Mapping to QCF (2010) Nationals in Public Service (Uniformed) specification |
|---|---|---|
| 1 Citizenship and Diversity (Pearson-set) | 120 | Much of the content from Unit 3 – Citizenship, Diversity and the Public Services is in this unit, with the removal of the current affairs content. |
| 2 Behaviour and Discipline in the Uniformed Protective Services | 120 | Content from unit 18 – Behaviour in Public Sector Employment and unit 4 – Understanding Discipline. Clearer focus of the importance of these fields in Protective services. No e.g. as external unit and therefore appears to be a lot of content. |
| 3 Global Affairs, the Media and the Uniformed Protective Services | 60 | Content form Unit 3 in relation to media has been combined with content from Unit 24 – Current Affairs and the Media here. Media regulation has been given less importance. Some reference to media production may be new to spec. |
| 4 Physical Preparation, Health and Wellbeing | 90 | Content from unit 5 Physical Preparation and Unit 6 Fitness testing has been combined within this unit.<br>**NB – This is a pre-requisite for unit 12.** |
| 5 Teamwork, Leadership and Communication in the Uniformed Protective Services | 120 | Updated content from Unit 2 – Leadership and Teamwork and LO1 and 2 from Unit 20 - Communication |
| 6 Government and the Protective Services | 90 | Updated content from Unit 1, Government Policies, with additional detail about role and scope of the protective services and funding and accountability |
| 7 Planning for and Responding to Emergency Incidents | 120 | Combination of unit 14, responding to emergency incidents and unit 15 planning for major incidents |
| 8 Custodial Care | 60 | Current unit 21 updated to reflect current practice |
| 9 Sociological Perspectives | 60 | **New unit**, written in response to higher education institutions recognizing that many PS learners progress to social science disciplines at HE. |
| 10 Skills for Outdoor Activities and the Uniformed Protective Services | 60 | Combination of unit 10, skills for land-based activities and unit 11, skills for water-based activities. Centres can choose, land based, water based por a combination of the two. |
| 11 Expedition Skills | 60 | Combination of unit 9, outdoor and adventurous expeditions and Land navigation with map and compass. |
| 12 Developing Personal Fitness Programmes | 60 | **Cannot be delivered until unit 4 delivered and assessed.** This takes learning from unit 4 and applies this to a personal fitness programme to be completed and reviewed. |
| 13 Introduction to Criminology | 60 | Updated unit 12, crime and its effects with more information about criminological theory to support progression to HE |
| 14 Principles of Managing Security Threats | 60 | Content from unit 8, war and conflict, that focuses on the security threats such as terrorism, and the counter terrorism methods, and how PS workers can respond to such threats. |
| 15 Police Powers and the Law | 60 | Current unit 17, police powers and unit 22 aspects of the legal system, combined and updated |
| 16 Research Skills in the Uniformed Protective Services | 60 | Current unit 23, research and the PS, updated to reflect current practice. |
| 17 Understanding the Third Sector | 60 | Current unit 33 volunteering updated with added material about the development of the third sector to bring this up to level 3. Still a requirement to undertake voluntary activity within the unit |
| 18 Criminal Investigation Procedures and Practice | 60 | **New unit**. Some information from unit 14 about scene investigation here, but mainly new content to support progression to PCDA or professional policing degrees |

| | | |
|---|---|---|
| 19 Professional Development in the Uniformed Protective Services | **60** | **New Unit -** some content from career planning unit, but more focus on career progression and development.  Requirement to undertake simulated application process. |
| 20 Technological Systems to Support Service Delivery | **60** | Some content from unit 26 enhancing delivery through ICT, with additional material from current unit 20, and new updated information in relation to cyber threats. |
