**Edexcel BTEC Level 3 Certificate in Compartment Fire Behaviour Training (QCF) -**  
**600/0404/6**

An error was found in the Issue 1 specification for the above qualifications. On page 19 of *Unit 1: Theory of Compartment Fire Behaviour (H/502/6822)*, the last two paragraphs of the unit content for learning outcome 3 were incorrectly included. These two paragraphs referred to assessment criteria which were part of the NQF qualification but are no longer part of the QCF qualification.

These two paragraphs have now been removed and an Issue 2 of the specification has been placed on our website: <http://www.edexcel.com/quals/Specialist/comp-fire-behaviour-lvl3/Pages/default.aspx>

We apologise for any inconvenience caused. If you have any queries about these qualifications, please contact customer services on: 0844 576 0026.

Yours sincerely,

Laura Bolin
