15th June 2011

Dear Colleague,

Edexcel BTEC Level 3 Diploma in Emergency Fire and Rescue Services Operations in the Community (QCF) - Issue 2 (QN: 600/0698/5)

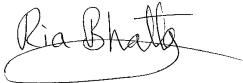

There has been a minor amendment to the qualification title of the above listed qualification. The former title was Edexcel BTEC Level 3 Diploma in Emergency Fire Rescue Services Operations in the Community. The amended title now includes the word 'and'.

An Issue 2 of the specification has been created and is available on the Edexcel website at the following link: www.edexcel.com/quals/Specialist/efrs-operations-lvl3/Pages/default.aspx

This issue also includes a couple of very minor amendments to address typos. All changes have been sidelined in the specification.

We apologise for any inconvenience caused. If you have any queries about these amendments, please contact customer services on: 0844 576 0026.

Yours sincerely,

Ria Bhatta
Qualification Development Leader
