RE: Edexcel BTEC Level 3 Certificate in Facilities Management (QCF) (First teaching December 2011) – additional unit amendment

May 2012

Dear Colleague

I am writing to inform you there is now an Issue 2 to the specification containing the Edexcel BTEC Level 3 Certificate in Facilities Management (QCF) qualification. Centres delivering this qualification should make sure that they use the amended Issue 2 version of the specification.

The Issue 2 amendment of the Edexcel BTEC Level 3 Certificate in Facilities Management (QCF) qualification has been made to add *Unit 30: Managing the Performance of Teams and Individuals in a Facilities Management Workplace* (T/503/8988) to the optional units available in Group B – Facilities Management specific units, following feedback from employers. The structure on page 4 of the specification has been updated to reflect this change.

This change is now operational, and centres can use this unit with immediate effect.

The Issue 2 specification, with this amendment sidelined, is now on our website at:

Yours faithfully
