This is an error in Issue 1 of the specifications quoted above.

In the introduction, the second paragraph in the section entitled 'Assessment' should state:

'The overall grading in this qualification is a 'pass' based upon the successful completion of the assessment criteria.'

In addition, Unit 12: Colour and Lighten Hair of the Edexcel BTEC Level 2 Diploma in Hairdressing (QCF) is missing assessment criterion 1.17. This should read:
