

Raman Gurnani
Portfolio Manager Healthcare, Childcare and Sport
Pearson Education Ltd
via email

14 January 2020

Dear Raman Gurnani,

Outcome for the recognition of Pharmacy Technician qualification

Following the recognition event on 8 November 2019, the General Pharmaceutical Council's (GPhC) recognition team agreed to recommend to the Registrar that the Level 3 Diploma in Principles and Practice for Pharmacy Technician Qualification provided by Pearson Education Ltd is recognised for a period of six years, with an interim event after three years. No conditions or recommendations were made.

The Registrar of the GPhC has reviewed the recognition report and record and considered the team's recommendation. The Registrar has confirmed that the Pearson Education Ltd pharmacy technician qualification is recognised for a period of six years, with an interim event after three years. I am therefore pleased to confirm that the qualification is recognised until **January 2026**.

I have enclosed a copy of the final reports for your records. To meet the requirements of the Pharmacy Order 2010, please could I ask you to write to me with a formal response to the reports, your response will be placed alongside the report on the GPhC website.

Congratulations to you and your colleagues and I look forward to working with you further in the future.

Yours sincerely,

Chris McKendrick
Quality Assurance Officer
