## BTEC Showstopper Challenge 2019

Each year, BTEC learners share their talents by performing live on the BTEC Awards stage – and they bring the house down every time. This year we had three talented groups and one solo singer perform at the 9th annual BTEC Awards ceremony. We had a record number of entries and are proud to have 18 Bronze winners; 4 Silver winners and 4 Gold winners.

### Gold Award Winner

Students from **Deanery High School** opened this year's BTEC Awards ceremony with a musical interpretation of this year's theme: I am more than a BTEC student. Complete with individual roles, signs and messaging, this group started the awards ceremony with great energy and impact.

Eleven students from **D16 Performing Arts College** rocked the ceremony with their performance of 'This is me' originally from the Greatest Showman film. Their beat and harmony was perfectly on point throughout the entire performance.

Two BTEC Dance students from **Stage Right College** performed a beautiful, elegant and perfectly synchronised routine to music. Their routine and moves were graceful and full of emotion, leaving the BTEC Awards guests thoroughly impressed.

**Shemaiah**, from JP Academy, finished the afternoon off with a spectacular performance to the song 'And I Am Telling You I'm Not Going' from the theatre production and film of DreamGirls. Her astoundingly long high notes ended the afternoon with a standing ovation.

# BTEC AWARDS 2019 WINNERS

## BTEC Teacher of the Year 2019

This summer's 9th annual BTEC Awards were all about recognising the inspirational teachers and tutors whose dedication and passion are moulding the career professionals of the future – and we had a record number of nominations. In the BTEC Teacher of the Year category we had a total of 20 winners: 15 Bronze; 4 Silver and 1 Gold coming from 6 different countries. Find out who they are below.

### Gold Award Winner

**Shalini Rajan** firmly believes BTEC is the best vocational qualification. She provides her students from Winchester School, Dubai, the maximum opportunities to apply their skills within and beyond the classroom. Her students are confident users of learning technologies and a wide range of opportunities for students to use technology in daily lessons – including the use of Skype in the classroom for students to collaborate with other students and teachers around the globe.
