You do not need any other materials.	Total Marks

Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Answer the questions in the spaces provided
– *there may be more space than you need.*

Information

- The total mark for this paper is 60.
- The marks for **each** question are shown in brackets
– *use this as a guide as to how much time to spend on each question.*

Advice

- Read each question carefully before you start to answer it.
- Keep an eye on the time.
- Try to answer every question.
- Check your answers if you have time at the end.

advancing learning, changing lives

Answer ALL questions. Write your answers in the space provided.

Some questions must be answered with a cross in a box ☒. If you change your mind about an answer, put a line through the box ☒ and then mark your new answer with a cross ☒.

1

Mr and Mrs Smith have applied to adopt a child. They have enrolled on a childcare course to learn more about child development. At the end of the course they have to take a test.

Choose the **most** appropriate word from the following list to complete the sentences.

emotional intellectual physical social

Reading to children helps their _____ development.

At play group children learn to share. This helps their _____ development.

Praising children helps their _____ development.

Playing football helps children's _____ development.

(Total for Question 1 = 4 marks)

2

Both Mr and Mrs Smith have highly paid jobs as computer programmers. They work long hours. They rent the top floor flat of a luxury block in the centre of the town. At weekends they eat out with friends and often go to the theatre. Mr and Mrs Smith discuss with the adoption agency how their lives might have to change if they are successful in adopting a child.

(a) Describe **one** feature of their current lifestyle which would support their application to adopt a child.

(2)

.....

.....

.....

.....

(b) Identify and describe **two** changes Mr and Mrs Smith may consider making in order to promote the child's development.

(Total for Question 2 = 8 marks)

3

Mr and Mrs Smith adopt a daughter, Jessica, who is two years old. Jessica's biological parents are Thai. Jessica's biological mother was poor and when she was pregnant she could not always afford a healthy diet. Mr and Mrs Smith are concerned that Jessica is not growing as fast as other children of the same age. She is small in height and light in weight and this is being monitored.

(a) From the information given above, identify and describe **two** factors which might account for her small size.

(Total for Question 6 = 10 marks)

7

Mr and Mrs Smith ask their 16-year-old niece, Sally, to babysit one evening. They return home to find Sally unwell. After finding out more about her state of health, they suspect that she has taken some illegal drugs. Sally later admits to Mr and Mrs Smith that she takes illegal drugs. She says she is lonely and only spends time with a group of girls who tease her. She feels that by taking the drugs these girls will accept her as a member of the group.

(a) Describe **one** way Mr and Mrs Smith, who have no medical training or equipment, found out more about Sally's state of health.

(2)

.....

.....

.....

.....

.....

.....

(b) Describe **two** suggestions Mr and Mrs Smith might make to help Sally manage peer group pressure.

(4)
