You will then see a list of all of the subjects offered in your centre.

Select the relevant Subject by clicking on 'Papers'.

NB. Clicking on 'Candidates' does not bring up the sampled candidates.

Click on 'Coursework Marks' to see the sampled candidates on the relevant paper. They are indicated by a green tick. You can input your marks in here.

If the candidates with the **highest** and **lowest** marks are **not** included in the sample, then you must send this work **in addition** to the sample.

Click on 'Moderator Details' to see the address to send your coursework samples to.

Material for moderation

Each package from a centre should contain the following:

- A completed copy of EDI Printout, OR an Edexcel Online printout.
- Coursework for each sampled (ticked) candidate (this should include the work, candidate record sheet and candidate authentication statement).
- Coursework for the highest and lowest marked candidates, if not in the selected sample.
- If a candidate marked by a tick has subsequently withdrawn, centres must send the work of another comparable candidate and include an explanatory note.
- If the centre does not think that the pre-selected sample adequately represents the entire mark range, on their own initiative they are permitted to send additional samples to the moderator, along with an explanatory note.

If any of your material is missing or additional sample is required for moderation you will be contacted by a member from Pearson.
