Entry Level 2 Essential Skills Wales in Communication

Level:	Entry Level 2
Credit value:	6
Guided Learning Hours:	60

About this qualification

This is about demonstrating your skills in:

- speaking and listening (CE2.1)
- reading (CE2.2)
- writing (CE2.3)

in familiar and accessible contexts connected with education, training, work and social roles. You will be given guidance by your tutor, teacher or trainer.

Amplification of evidence requirements

Notes

- 1 Each level of the skill incorporates and builds on the previous level. So, for example, the requirement at Entry Level 1 to 'use a capital letter for personal pronoun 'I' also applies at all higher levels.
- 2 At this level, subject matter and materials will be straightforward, ie those that you will often meet in your work, studies or other activities. Content will be put across in a direct way. You will build on your skills at Entry Level 1 by going into more depth in every area of your work, including having a discussion with two or more other people in a group.
- 3 You must provide evidence of your Communication skills, as they are specified in the first column of the component grid. Your evidence must be in the form described in the third column ('Evidence requirements'). In order to provide this evidence, you will need to have the skills that are listed in the second column.
- 4 The guidance within the qualification supports the requirements of the three columns of the component areas and is intended to advise and help you and your teacher/tutor/trainer in your work. It provides explanations of some of the requirements of the standards that may be useful when you are developing the skill of Communication at Entry Level 2 and producing evidence of your work. It is not a mandatory part of the standards.
- 5 The Mandatory Definitions (Annexe A) give the exact meaning of certain words in the document. You must always refer to them when you are

developing your skills, gathering your evidence and preparing for assessment.

- 6 Witness statements must not be the only form of evidence that you provide. When you provide a witness statement, it must be supported by other evidence.

Evidence

At Entry Level, you will be assessed via a portfolio of evidence. The term 'evidence' is used in this document to refer to the work you produce for final assessment.

The documents you read must, between them, include symbols and simple images.

There must be evidence that all your work has been assessed and authenticated, eg there must be records/notes, written by a competent assessor, confirming that your work is your own and that it has achieved the required standard.

Skill requirements

In order to achieve this qualification, the evidence that you present for assessment needs to demonstrate that you can meet all of the skills requirements of the qualification for each of the component areas. A piece of work submitted could give assessment evidence for more than one skill.
