

TASK:

Using as many adjectives, nouns and verbs as you can, write and tell me your first impressions of your college.

You should talk about:-

- What is the size of the building
- Do you like the look of the building
- If you like the courses available.
- I would also like to know what you think about the students and staff.
- What is there to do in you spare time

Also, tell me what you would like to change, if anything.
