Functional Skills English Level 1 & Level 2

Online Standardisation for Centre Assessors (OSCA)

Step by Step Guide
2023-24
INTRODUCTION

Centres delivering Functional Skills English Level 1 and 2 must have a Lead Internal Verifier (Lead IV) for Speaking, Listening and Communicating. This person will need to register and complete the Online Standardisation for Centre Assessors (OSCA) to become accredited and to gain direct claims status. The OSCA training is designed to ensure that all centres are standardised to the same level so that all Lead IVs, Assessors, and Internal Verifiers understand how to assess and verify assessment decisions applying the national standards.

Registering as Lead IV for Functional Skills English

1. Log into Edexcel Online and select OSCA on the left-hand menu

2. Select BTEC from the drop down menu
3. Select **Registration** on the left-hand menu

The video samples and commentaries (Assessment Record Sheets) are in the same document for each task. Please read the guidance thoroughly before attempting the exercise. Watch the videos, consider the learner performance, and complete an Assessment Record Sheet for at least two of the learners.

You can compare your understanding of the criteria with the commentaries made by the Senior Standards Verifier (these become visible once you have submitted the online exercise).
6. Once you have completed the training, select Start Online for each exercise. Here, you will confirm that you have completed the training and click Submit.

How to submit completion of OSCA

You will need to go into the Online Standardisation box which should be on left hand menu. Here you will find the confirmation box which you can tick to confirm training and receive accreditation.

*Please note: If you have not received a confirmation email, you are not accredited.*

Important information about OSCA

Centres using a 'standard academic year' delivery plan must ensure that OSCA is completed by the Lead IV no later than **31st October 2023**. For centres using a 'roll on, roll off' delivery plan OSCA is available in monthly windows which are open between September and July.

*Please also note that both Level 1 and 2 must be completed to gain full accreditation.*

Lead IVs are only able to attempt OSCA once in a monthly window. See Top Tips in the [Centre Guide to Quality Assurance: Functional Skills Levels 1 and 2 Speaking, Listening and Communicating](#).

It is the responsibility of the Lead Internal Verifier to use the materials to conduct standardisation activities with all Assessors and Internal Verifiers.
