

Our Functional Skills offer

A comprehensive qualification for all ages and learner types that equips learners with the practical skills needed to live, learn and work successfully.

1 Recruitment

Pearson Services	Benefits	£
	With our free tool, you can know the indicative level for maths and English for each learner within an hour. The tool has been developed to help screen a learner's existing skills providing an indication of learner's ability and helping you to decide which level they should study.	Free
	With learners' consent, you can access their GCSE Maths feedback to build up a clear picture of strengths and weakness.	

2 Learning

Pearson Services	Benefits	£
Lesson plans and schemes of work	Easily broken down with achievable lesson targets. Lesson plans outline; duration, subject content, teacher activity, learner activity and resources required, to help you guide learners through.	Free
	See details on right-hand page.	Paid

3 Revision

Pearson Services	Benefits	£
	Revision Guides contain resources including teaching notes, worksheets and practice assessment papers, enabling students to develop the essential skills needed to pass the assessments.	Paid
	Workbooks come packed with sources and graphics to bring Functional Skills into the real world.	
	Tailored to our specifications, so you know you're covering everything you need. Past papers are the ideal practice materials to prepare your learners before their exam.	Free
	Use feedback to create exam practice resources for cohorts or individual learners. Tailor create practice papers for better results.	

Pearson Edexcel Functional Skills are qualifications in English, Maths and ICT. They are available in England at Entry Level, Level 1 and Level 2. Suitable for learners of all ages, they're also a mandatory part of all Apprenticeship frameworks in England.

4 Assessment

Pearson Services			Benefits	£
Entry Level	Level 1	Level 2	Choose the method of assessment that's right for your learners, and where they will be on the day of their assessment.	Paid
Download and internally assess	Paper-based		We allow learners to use the software they practice on in the test.	
	Paper based on Demand or Onscreen		Speaking and listening (all levels) and writing (entry level only) can be contextualised by you, so that learners understand the scenario of the task.	
			Learners get full value for every correct answer. Questions use realistic real-life contexts.	

5 Feedback

Pearson Services	Benefits	£
Marking turnaround	Most assessments are marked and results communicated within 10 working days.	Paid
	Behind the grade insight into your learners performance. Understanding results and targeting improvements.	Free

6 Support

Pearson Services	Benefits	£
	We run a variety of free training events to support you in your delivery of Functional Skills. Hosted by subject experts and allowing tutors to share good practice and hear the latest developments.	Free
