

Functional Skills Maths | Entry 3 | Number | Going To The Library 1

Useful Vocabulary

This is a list of vocabulary for this handout.

- Borrow
- Maximum
- Renew
- Genre
- Horror
- Romance
- Membership
- Photocopy
- Photocopy card

1. Gosia is in the library.

She sees the following poster.

Borrowing Books

Books can be borrowed for 24 days.

Books can be renewed a maximum of 6 times.

Calculate 24×7

2. Tate works in a library.

He has been looking at how often different genres of books are borrowed.

Romance
436

Horror
525

Calculate the difference between the number of people borrowing horror books and those borrowing romance books?

Round 436 to the nearest 100

Use the rounded number to check your answer to first question

3. The library had 75 customers yesterday.

$\frac{1}{5}$ of the customers returned a book.

How many customers returned a book?

4. Fatima is looking at library membership figures for adults and children.

Adults
709

Children
259

Calculate the total of these amounts.

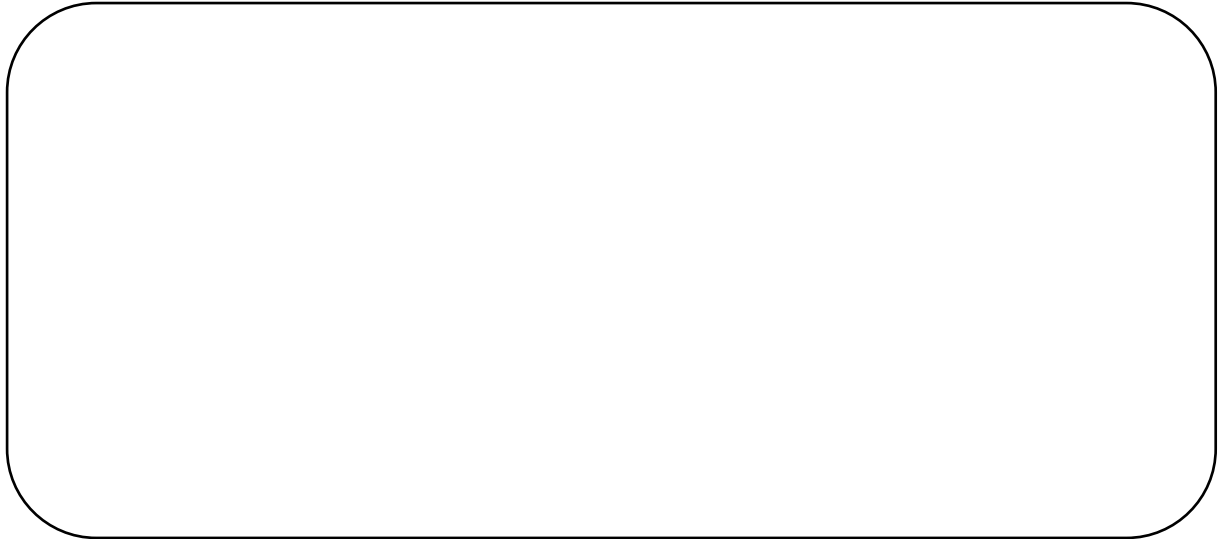

5. Jason goes to the library to do some photocopying.

He knows that a photocopy card will give him 15 pages of photocopies.

He needs to do 88 pages photocopies.

How many full cards does he use?

How many pages of photocopies will he have left to do?

Answers

1. 168
2. $89,400,525 - 400 = 125$
3. 15
4. 968
5. 5 cards and 13 photocopies left
