**Examiner comments:**

- A methodical approach to developing ideas underpins the submission.
- Basic investigations into sources superficially inform visual ideas and experimentation.
- Observations and outcomes reflect a simplistic understanding and application of the formal elements of art and design.
- There is some evidence of tentative beginnings for a personal response.

**Keyword descriptors from the taxonomy:**

- Methodical

Louise Bourgeois
Christina Dreienstam

She saw a range of utilise watercolor that made her
work stand out. She saw a collection of fruits and
vegetables other children that she drew in and then added
The atmosphere behind her picture are bland and bright
colors are in the middle of the page the graduated from
Sticks of food school in 2006. Her work depicts
because her work is simple and clean. Personally, I like
her work because despite her work being so vibrant and
unique, it is simple and is great to look at.
