**Examiner comments:**
- The candidate uses a growing control to transcribe the work of artists, but development of personal ideas remains simplistic.
- Experimentation with appropriate media and processes is methodical.
- Observations show growing control to record insights relevant to intentions.
- The candidate tentatively engages with the process of creating a personal and meaningful outcome.

Modern appeal the most to me because it is different to the artefacts we see today and it is realistic.

The style that Nick used in his artwork shows how it was during lockdown. This because the artwork was created during lockdown. The style of Realism may promote change as it teaches the audience how...
