Fully competent and consistent ability  Fully competent and consistent ability  Fully competent and consistent ability  Just confident and assured ability

Comments:
• There is evidence of digital photographic investigation, collage and montage developmental studies, which are supported by drawing throughout the submission.
• This is competent and consistent work with appropriate development of ideas through investigative experiments.
• The candidate shows evidence of secure and engaged experimentation with a range of materials, techniques and processes.
• Much of the annotation is thoughtful and purposeful.
• The candidate’s knowledge and understanding is informed and generally skilful.
• This is a sustained and focused submission leading to a number of cohesive outcomes.
