Keyword descriptors from the taxonomy:

Convincing
 Focused
 Resolved
 Risk taking

Examiner comments:

- The candidate begins their investigations through exploring ideas through integrated annotation on layered surfaces .
- Ideas are explored through a convincing process of experimentation and review of modelling and construction techniques.
- There is a focus on mark making that is supported by a confident and assured understanding and application of printmaking techniques.
- Connections are made with relevant artists that shape the development of ideas .
- Ceramic techniques including hand-building and surface decoration are developed and refined to support the candidate in realising their visual intentions.
- The candidate uses the period of sustained focus to create an ambitious, large scale torso showing elements of risk-taking.
