Autumn Term 2022
Network Event 2 Recording
Link & Summary

Network 2: 18th October 2022

Title: Teaching Theme 2 and Paper 2 Reflection

The first in our series of monthly autumn term Business A GCSE network events. This network will focus on the GCSE Business Theme 2 content of the specification. It will include a reflection and analysis of the Summer 2022 Paper 2 series, including what was done well and where improvements are needed.

It will then focus on considering a logical sequence of teaching the content, with collegiate discussions on how best to tackle the specification, and ways to justify your curriculum design externally.

Delegates will leave with a better understanding of the summer series to inform preparation for the 2023 series, and examples of how schools approach the task of curriculum planning.
