Network Event 3 Recording
Link & Summary

Network 3: 15th November 2022

Title: Revision techniques, resources and games

This network will focus on helping centres prepare and engage their students for an effective and informative mock examination.

The trainer will take you through techniques to prepare and deliver a mock exam, and there will be breakout rooms to hear from other school approaches to discuss ideas and feedback.

This session will include invited 3rd party organisations who will present their revision materials that are available to support your students, alongside the free support Pearson offer to all centres already.
