GCSE (9-1) Business

Autumn Network - Event 1
Lessons learned from Paper 1
Recording Link & Summary

Webinar: 21st September 2023

Title: Lessons learned from Paper 1

The first in our series of monthly autumn term Business GCSE network events. This network will focus on the GCSE Business Theme 1 content of the specification. It will include a reflection and analysis of the Summer 2023 Paper 1 series, including what was done well and where improvements are needed.

It will then focus on considering a logical sequence of teaching the content, with collegiate discussions on how best to tackle the specification, and ways to justify your curriculum design externally.

Delegates will leave with a better understanding of the summer series to inform preparation for the 2024 series, and examples of how schools approach the task of curriculum planning.
