# GCSE (9-1) Business

Network Event 1  
Recording Link & Summary

## Network 1: 11th January 2022

### **Title: Application and use of case studies**

*The first in our series of monthly Business GCSE network events, focuses on the process of using case studies to support your students to develop their application skills. The session will cover case studies and how to bring them into topics, understanding how to apply knowledge and understanding to questions based upon a case study, how to create mock checklists to support students, and how to help students write evaluate responses.*
