PAPER 2: Speaking in Chinese

Task 2: Picture-based task Instructions to the teacher
(simplified characters)

Foundation Tier

You do not need any other materials.

Instructions

- You should begin the picture-based task by asking the candidate the compulsory questions listed overleaf.
- You should ask the questions in the order given.
- The picture-based task is recommended to last between two-and-a-half and three minutes.
- The set questions and comments must be asked as they are presented. There must be no supplementary questions and no rephrasing.*
- Candidates must **not** read out whole, prepared sentences in answer to questions.
- The statements/questions may be repeated but no more than twice.
- The candidate must be allowed to develop their responses as well as they are able. In order to enable each candidate to achieve this, a prompt has been given for each question. Only these **exact** prompts may be used. There must be no other supplementary questions.

***For Cantonese only:**

For teachers conducting the assessment in Cantonese, the questions should be asked so that they are understandable in the daily spoken form. The teacher's spoken question must not be harder or easier to understand than the original written question. If a question is repeated, the same words as spoken the first time must be used.
