Introducing the 'Exemplar
Library'

New GCSE Drama Exemplar Library

The new GCSE Drama Exemplar Library has been created to make our exemplar materials more accessible, supporting teachers with assessment decisions and understanding the standard of our qualification.

The exemplar library can be located on the dark blue toolbar at the top of the GCSE Drama qualifications page, or by following this link: [GCSE Drama Exemplar Library](#)

The screenshot shows the Pearson Edexcel website interface. At the top, there is a navigation bar with 'Pearson | Qualifications' and links for 'SUBJECTS | QUALIFICATIONS | SUPPORT | ABOUT US | CONTACT US'. A search bar is also present. Below this is a dark blue toolbar with menu items: 'Specification', 'Course materials', 'Teaching support', 'Training materials', and 'Switch to Pearson'. The 'Exemplar Library' menu is expanded, showing 'Component 1: Devising' and 'Component 2: Performance from Text'. The main content area displays 'Pearson Edexcel GCSE Drama (2016)' and a breadcrumb trail: 'Home > Our qualifications > GCSEs > Drama (2016) > Exemplar Library'. A text block states: 'This exemplar library has been created to make our exemplar materials more accessible. The library contains exemplar materials organised by component and separated into levels from the corresponding assessment criteria.' To the right, a 'Pearson | Edexcel' logo is shown above a section titled 'On this page' which lists 'Component 1: Devising' and 'Component 2: Performance from Text' with right-pointing chevrons.

The library contains materials for Component 1 and Component 2, including existing exemplars from the website, past training content, and brand-new exemplars.

Materials in each section have been organised according to levels in the assessment criteria. When you click in each level, you will find the work of candidates organised in ascending marks within that level. Each exemplar is clearly labelled and contains all the materials you will need to understand assessment decisions, including a breakdown of marks, commentaries, supporting documentation, and video links where appropriate.

We hope you will find the Exemplar Library useful. If you have any questions, please do not hesitate to contact us at teachingperformingarts@pearson.com.
