

Portfolio

Six questions to cover:

- What was your initial response to the stimuli and what were the intentions of the piece?
- What work did your group do in order to explore the stimuli and start to create ideas for performance?
- What were some of the significant moments during the development process and when rehearsing and refining your work?
- How did you consider genre, structure, character, form, style, and language throughout the process?
- How effective was your contribution to the final performance?
- Were you successful in what you set out to achieve?
