Free access to scripts service

From **24 August 2023** until **15 December 2023**, you will be able to view and download scripts which have been marked online free of charge using our [Access to Scripts](#) service.

The Portal can only be accessed by Edexcel Online users who have the *Exam Viewer* profile ticked on Edexcel Online. Exams officers give teachers access to *Exam Viewer*.

As exams are summative, rather than formative assessments, scripts do not have examiner annotation on them. The marked script allows teachers to evaluate how the student performed on particular questions in relation to what they have been taught; the examiner's report and the exemplars that we make available demonstrate how the mark scheme is applied.

If scripts have been marked 'traditionally' (i.e. not online), you will need to request them, free of charge, by **15 December 2023**, via the *Post Results* section of Edexcel Online.

Candidate consent

Candidate consent is required before requesting script copies, as per section 4.2 of the

JCQ's [Post-results services guide](#). **Candidate consent can only be obtained after results have been published.**

- View your students' scripts using the free access to scripts service.
- Log in to [ResultsPlus](#) to see how your students have performed on every question and compare their performance to the national average.
- If you're still unhappy with your students' results, you may apply for a review of marking via our post-results services. You can [access guidance on everything you need to know about results day and post-results services](#).

Support for the SLE in 2023-2024

Refresher training on the SLE will be offered in autumn 2023. Centres not meeting the regulatory requirements (sample size, grade distribution in sample, or samples for both 1EN0 and 1EN2) for the SLE will be contacted to arrange support in the 2023-2024 academic year.

Post-results services and what they cost

For an easy overview of reviews of marking and what they cost, please see our [post results fees quick reference guide](#).

You'll find a full list of fees [here](#).

Post-results services deadlines

The summer 2023 post-results services deadlines are listed below and are also available on our [support pages](#).

GCSE Post-results services are available from **Thursday 24 August 2023**

Service	Deadline

Access to Scripts Post Review of Marking (ATSPE)	28 September 2023
Access to Scripts Original (ATSO)	28 September 2023
Access To Scripts Copy (ATSC)	15 December 2023

How to apply for post-results services

Please speak to your exams officer if you wish to proceed with a review of marking. Exams officers should contact their Centre Account Specialist on 0344 463 2535 if they require guidance, [read this guidance](#), or view this [video](#). All applications for reviews of marking must be submitted through [Edexcel Online](#).

Why are reviews of marking results sometimes received very quickly?

Senior examiners who carry out reviews of marking are re-trained prior to commencing reviews. As soon as you submit a request for a review of marking on Edexcel Online, the script is sent to the allocated senior examiner electronically. If they are sitting at their desk, they could receive the script and start reviewing it within minutes of your request.

Understanding more about the quality and accuracy of marking

Please have a look at [this webpage](#) if you'd like to find out more about how we ensure that our marking is fair and accurate.

Appeals

If you are dissatisfied with the outcome of a review of marking, you may wish to appeal against the decision. We will allow the head of centre (or designated member of the centre's senior management team or examinations manager) 30 calendar days from the receipt of the outcome of the review of marking, during which an appeal may be lodged by sending an email to the following address: edexcelappeals@pearson.com.

[View further guidance](#) on appeals.

Certificates

These will be sent by around 8 November 2023.
