This form should be used in conjunction with the *Candidate Notes Forms* for Speaking and Writing. It supports students as they prepare for assessment and also enables teachers to ensure that students understand task requirements. Students may use this tick-box form to review their prepared notes with their teacher but **teachers must not provide any task-specific feedback on student-produced language**. The shaded boxes refer to any preparatory work/draft undertaken in addition to candidate notes (thirty words) and must only be checked by students.

Your plan:	Student	Teacher
