Joe Dale #MFLtwitterati Remote Learning Support events

Links to event recordings

In this zip folder you will have found the PowerPoint slides developed by Joe Dale, however listening to Joe deliver the training is by far the best way to make the most of our collaboration with him.

If you were unable to attend the events or would like to have a refresher on the different platforms, apps and websites that Joe discussed, you can find the recordings of these events on Joe's YouTube channel at the following links:

[Supporting remote teaching for MFL teachers: Using Flipgrid and Padlet to promote speaking and listening skills, 6th May 2020](#)

[Promoting Collaboration, Creativity, and Supporting Formative Assessment, in Remote MFL Teaching, 13th May 2020](#)

Remote teaching Support Document

In his events, Joe also makes reference to a document he has developed since the beginning of the Covid outbreak, providing advice and resources to support language teachers in their current circumstances.

It is an extensive document, that Joe continues to add to which you can find here:

[Advice and resources to support language teachers in response to the coronavirus outbreak](#)
