

Modern Languages Network

Events and support for great teaching and assessment

Ask the experts

- Friendly language specialist support on hand, available to visit your school wherever you're located.

Network with teachers local to you at our autumn and spring network events

- Find your nearest network event by hovering over the blue points on the map with your cursor. If there isn't a network in your area and you'd be willing to host an event, please email us at MFLevents1@pearson.com

Where next?

> [Book a place at one of our network events](#)

> [Meet our expert team and book a visit to your school](#)

Your subject advisor Alistair Drewery is on hand to answer your questions.
