## **PAPER 3: People and Environmental Issues**

### **Making Geographical Decisions**

**Time: 1 hour 30 minutes**

**In the boxes below, write your name, centre number and candidate number.**

<b>Surname</b>					
<b>Other names</b>					
<b>Centre Number</b>					
<b>Candidate Number</b>					

**X70856A**

**YOU MUST HAVE**

**Calculator**

**YOU WILL BE GIVEN**

**Resource Booklet**

**INSTRUCTIONS**

**Answer ALL questions.**

**Answer the questions in the spaces provided in this Question Paper – there may be more space than you need.**

**INFORMATION**

**The total mark for this paper is 64.**

**The marks for EACH question are shown in brackets – use this as a guide as to how much time to spend on each question.**

**The marks available for spelling, punctuation and grammar are clearly indicated.**

**ADVICE**

**Read each question carefully before you start to answer it.**

**Try to answer every question.**

**Check your answers if you have time at the end.**

---

## **SECTION A**

### **People and the Biosphere**

**Answer ALL questions. Write your answers in the spaces provided.**

- 1. Use Section A (pages 3–6) of the Resource Booklet before answering this question.**

**(a) Study Figure 1.**

**Identify the year when Ghana's population reached 20 million.**

**(1 mark)**

---

---

**(continued on the next page)**

1. continued.

(b) More resources are needed when a country's population increases in size.

Using your own knowledge, state ONE OTHER reason why the demand for resources may grow over time.

(1 mark)

---

---

---

(continued on the next page)

1. continued.

(c) Ghana's population is predicted to double in size between **2020** and **2050**.

Explain **ONE** way in which the graph in Figure 1 supports this prediction.

Use data from Figure 1 in your answer.

**SECTION B****Forests Under Threat**

**Answer ALL questions. Write your answers in the spaces provided.**

**Some questions are multiple choice. Write the letter(s) of your chosen answer(s) in the box(es) provided.**

2. Use Section B (pages 7–8) in the Resource Booklet to answer this question.

(a) Study Figure 3.

- (i) Identify when the greatest increase in precipitation occurs.

- A between April and May
- B between May and June
- C between August and September
- D between September and October

Answer

(1 mark)

(continued on the next page)

2. (a) continued.

(ii) Identify the MODAL amount of monthly precipitation.

(1 mark)

**TOTAL FOR SECTION B = 8 MARKS**

---

**SECTION C****Consuming Energy Resources**

**Answer ALL questions. Write your answers in the spaces provided.**

**Some questions are multiple choice. Write the letter(s) of your chosen answer(s) in the box(es) provided.**

3. Use Section C (pages 9–14) in the Resource Booklet to answer this question.

(a) Study Figure 5.

- (i) Identify Ghana's most valuable export in 2019.

(1 mark)

---

(continued on the next page)

3. (a) continued.

(ii) Identify how you would work out the percentage increase in GDP per capita from 2010 to 2019.

A  $\frac{3100 + 5194}{3100} \times 100$

B  $\frac{3100 + 5194}{5194} \times 100$

C  $\frac{5194 - 3100}{3100} \times 100$

D  $\frac{5194 - 3100}{5194} \times 100$

## **SECTION D**

### **Making a Geographical Decision**

**Answer Question 4. Write your answer in the space provided.**

**In this question, up to four additional marks will be awarded for your spelling, punctuation, grammar and your use of specialist terminology.**

- 4. Study the three options below for Ghana's government to develop its economy so that it is no longer reliant on overseas aid.**

**OPTION 1: Stop looking for new oil and focus on educating Ghana's growing population**

**OPTION 2: Keep supporting the gold, cocoa and oil industries in order to increase Ghana's national income**

**OPTION 3: Focus on developing Ghana's oil industry but discourage any new gold mining or cocoa production**

**(continued on the next page)**

4. continued.

Select the option that you think is best for the future development of Ghana.

Justify your choice.

Use information from the Resource Booklet and knowledge and understanding from the rest of your geography course to support your answer.

(12 marks)

Answer lines continue on the next six pages.
