SECTION A

Answer both questions.

Study Source A below and then answer Question 1.

SOURCE A: From an interview with an American soldier who fought in Vietnam. Here he is commenting on Search and Destroy missions.

You knew the enemy was everywhere. You didn't know if your next step would be your last because you might tread on a mine or booby trap.

A lot of the time you were searching for the Vietcong's hiding places, like tunnels and caves. If you were able to find the enemy, then you killed them. This was all a lot harder than it sounds.

When we moved through a village our soldiers would burn down houses, even though they weren't supposed to.
