Authentication Sheets & Under length Submission Declaration Form

Updated authentication sheets (PAS/CAS) for this specification must be downloaded from the GCSE Music subject area from the Pearson website. For work submitted which is below the minimum assessment time, the 'Declaration Form for Under Length Submissions' should be submitted. This form can be found here: [Summer 2024 GCSE Music 1MU0: Declaration Form for Under Length Submissions \(office.com\)](#)

- 1MU0/01 - Performing

This component is internally assessed and externally moderated.

The requirements for this component can be found on pages 9–26 of the specification. Please make sure you have read through this before teaching this component.

- The total mark for this component is 60.
- Centres should keep copies of all work submitted.

What candidates must do

- A solo performance: may comprise one or more pieces and must be at least **one** minute in duration.
- An ensemble performance: must consist of two or more performers, playing undoubled, simultaneously sounding, independent parts. It may comprise one or more pieces and must be at least **one** minute in duration.
- A solo with an accompanist is not acceptable as an ensemble unless the candidate being assessed is the accompanist.
- The combined performance time must be a minimum of **four** minutes of music.

Please note

- This time does not include:
 - tuning
 - verbal introductions
 - audience applause

However, these should not be edited out after the recording has been made

- Slight pauses between related movements of a work are accepted
- Submissions below the 4 minutes minimum time will have their mark reduced proportionally according to how many seconds the total performance time is less than the minimum time requirement. See **Appendix 2** for 2024 Performance mark penalty table.

TEACHERS SHOULD NOT APPLY THE PENALTY TO SUBMISSIONS BELOW THE MINIMUM TIME REQUIREMENT. THIS WILL BE APPLIED BY PEARSON AFTER MODERATION.

Where candidates offer ensemble performances, improvisation, and/or performances using music technology, teachers must ensure that they are aware of the detailed information on page 10-11 of the Specification.

Performances from a score

- Where a written score or lead sheet exists, this must be submitted. If a piece is learned aurally, a professional reference recording may be submitted in addition.
- If a written score or lead sheet does not exist, then appropriate reference material must be submitted (a professional reference recording, written commentary, stimulus for improvised performances, track sheets, tables, diagrams).
- The score should include as much detail as possible to allow the assessor to make a fair and accurate judgement on the quality and accuracy of the performance.
- Please refer to section 2 'Score' on page 15-16 of the specification for more guidance on the type of score that can be submitted.

Improvised performances

- Improvised performances must be accompanied by the original stimulus.
- There must be sufficient information about the candidate's working methods to enable moderators to make a fair assessment.

Music technology performances

- A summary of the performance equipment together with effects added should be provided on the Performance Authentication Sheet.

Recording the performances

- The recorded performances must be carried out on or after the **1 September 2023** and submitted by **15 May 2024**.
- An online submission platform will be made available to upload all materials (including the recording of the performance) digitally.
- Each piece must not be edited (spliced, cut and pasted together with other recordings). Pieces recorded on different occasions must not be edited together.
- The whole performance can be re-performed and re-recorded up until the point of submission, and the better or best performance should be submitted.
- The recording should be a live, ambient room recording and not a studio [or multi-tracked] recording.
- The recording quality must be good enough to reflect the candidate's true performance.
- Teachers are advised to check before recording that the quality is appropriate by;
 - checking the quality of recording equipment
 - being aware of recording levels
 - disabling auto levelling on recording devices
 - avoiding any unwanted noise
- After recording, teachers should check that the recording;
 - is audible
 - can be played on the appropriate equipment

What centres must submit

Centres must submit their candidates' work via the online submission platform (LWT) by 15 May 2024.

There are 2 options for submitting authentication (mark) sheets and declarations.

Option 1: Digitally signed

- One Excel PAS spreadsheet for **all** candidates (the 2024 Excel spreadsheet has a maximum capacity of 30 candidates, if you have more than 30 candidates, an additional spreadsheet can be used)

or

- Individual PDF PAS for **sampled** candidates

Teacher assessors and students should sign declarations by typing their names into the relevant boxes and dating the form.

Option 2: Manually signed

- Individual PDF PAS for **sampled** candidates

Forms would first need to be printed, then teacher assessors and students should manually sign and date the forms, then scan them into a computer, save as PDF format and upload to the online submission platform (LWT).

Guidance will be provided for where to upload the Excel PAS spreadsheet on the portal for your centre.

It is not recommended to use Adobe's 'Fill & Sign' feature. Using 'Fill & Sign' removes fields from PDF forms. Typing signatures into boxes is sufficient.

Plus:

- The scores/stimulus/reference recording/detailed commentary for each **sampled** candidate. In PDF format (digital download/scanned) or as an audio file for reference recordings.
- The recorded performances (audio/video files)* for each **sampled** candidate. A list of compatible audio/video file types can be found in **Appendix 1** at the end of this guide.

Centres with cohorts of 10 or fewer candidates must submit the work of all candidates.

Centres with 11+ candidates must submit the highest and lowest awarded candidates if they are not already included with the selected sample.

PLEASE NOTE: Centres are reminded that all work must be submitted for assessment by 15th May 2024.

If there are extenuating circumstances affecting a Centre's ability to meet this deadline, they should contact us as soon as possible.

For work submitted which is below the minimum assessment time, the 'Declaration Form for Under Length Submissions' should be submitted. This form can be found here: [Summer 2024 GCSE Music 1MU0: Declaration Form for Under Length Submissions \(office.com\)](#)

Please check each recording before submitting to ensure that all files:

- are clearly audible without distortion
- can be opened on a different computer without issues (details of suitable audio file types for digital submission can be found in Appendix 1 at the end of this guide.)
- are of at least CD quality e.g. for audio files: wav, sample rate: 44.1kHz, bit depth: 16-bit. For video files: sample rate 48kHz, bit depth: 24-bit

Presentation of non-examination assessment

Please use the following guidelines.

- Upload each file **individually** under each candidate in the online submission platform.
(Guidance will be provided for where to upload the Excel PAS spreadsheet on the portal for your centre)
- **Do not** upload files as part of zip folders (as this may affect examiners being able to access them).
- **Do not** password protect/encrypt any of the files (the online submission platform is already fully secured, and examiners will not have access to passwords/encryption keys).
- Each file should follow a set naming convention detailing exactly what the file is:

PAS spreadsheet = centre number_1MU0_01_PAS_spreadsheet

PAS PDF = centre number_candidate number_1MU0_01_PAS

Solo Score = centre number_candidate number_1MU0_01_solo_score

Solo Audio = centre number_candidate number_1MU0_01_solo_audio

Ensemble Score = centre number_candidate number_1MU0_01_ens_score

Ensemble Audio = centre number_candidate number_1MU0_01_ens_audio

In cases of multiple files of the same nature, add a numbering convention to the file name.
For example:

centre number_candidate number_1MU0_01_solo_score_1

centre number_candidate number_1MU0_01_solo_score_2

In addition:

Solo Professional Reference Recording =

centre number_candidate number_1MU0_01_solo_PRR

Ensemble Professional Reference Recording =

centre number_candidate number_1MU0_01_ens_PRR

• 1MU0/02 - Composing

This component is internally assessed and externally moderated.

The requirements for this component can be found on pages 27–42 of the specification. Please make sure you have read through this before teaching this component.

- The total mark for this component is 60.
- Centres should keep copies of all work submitted.

What candidates must do

- Candidates are required to submit two compositions. Set Brief Composition alongside the Free Composition.
- One composition is in response to a brief set by Pearson and one composition is a free composition.
- Each composition must be at least 1 minute in duration.
- Total time across both submissions must be a minimum of 3 minutes. Submissions below the minimum time will receive a proportional penalty (see page 82 of the specification).
- Submissions below the minimum time will have their mark reduced proportionally according to how many seconds the total composition time is less than the time requirement. See Appendix 3 for 2024 Composition mark penalty table.

TEACHERS SHOULD NOT APPLY THE PENALTY TO SUBMISSIONS BELOW THE MINIMUM TIME REQUIREMENT. THIS WILL BE APPLIED BY PEARSON AFTER MODERATION.

Controlled Conditions for Compositions

- Students must work on their compositions under controlled conditions for at least five hours. This must include the final write up of their compositions, and can include any research and development time. The final write up is defined as the time when the final recording and score or commentary of the piece is produced.
- Please see page 33 of the specification for further details.

Free composition

The free composition may be;

- Worked on and completed at any point during the course
- In any style/genre
- In the same style/genre as the composition to a brief
- For any combination of instruments, including voice.

Recording the Compositions

- The recording can be a MIDI representation, live recording or produced on a DAW.
- An online submission platform will be made available to you to upload all materials (including the recording of the performance) digitally.

- Teachers are advised to check that the recording:
 - is audible
 - can be played on the appropriate equipment

The Examinations Officer should fill in a Special Consideration Form and must provide evidence to support the reason for absence or underachievement (e.g. a doctor's certificate).

To access the form please go to the Joint Council for Qualifications website at the following link:

<http://www.jcq.org.uk/exams-office/access-arrangements-and-special-consideration>

Extensions

- Extensions cannot be granted due to internal issues, for example;
 - failure to prepare candidates properly for the assessment
 - staff shortages
 - problems with the music equipment or IT
 - lack of facilities

Please be advised that any of the issues above must be resolved by centres internally.

- In the most exceptional cases a short extension to the deadline may be granted at the discretion of the awarding body.
- Extensions can only be granted by the Music Assessment Team.

Extra Time

Centres must contact Special Requirements as above, for candidates who require extra time. For GCSE qualifications, an application for extra time must be submitted using JCQ Form 8 which is available from [JCQ Access Arrangements Online \(AAO\)](#). This should be done prior to the candidate's first examination. Once the approval has been agreed, it is at centre discretion how the extra time is divided dependent on the individual candidate's requirements.

Some subjects provide an audio file with 'built in' extra time, however for GCSE Music 1MU0, the extra time can be allocated at any time throughout the GCSE Music Appraising exam. The table on the following page provides an example of how extra time could be applied when divided equally between each question during GCSE Music Appraising exam. [1MU0 GCSE Music Extra Time \(pearson.com\)](#)

Lost work

Please report the circumstances immediately if a candidate's work has been;

- lost within the centre and despite every effort, it cannot be found
- accidentally destroyed

Use Form 15 – JCQ/LCW available on the JCQ website.

https://www.jcq.org.uk/wp-content/uploads/2020/09/Form-15_Notification-of-Lost-Centre-Assessed-Work.pdf

Guidance is provided in the JCQ booklet paragraph 13.8, page 18.

Forms should be emailed to resultsresolution@pearson.com
