

## GCSE 2009 Physical Education GCSE 2012 Physical Education

### Meeting Local Needs – Already Approved Activities

Please refer to the 'Meeting Local Needs – Guidance for centres' document for further information. The deadline to submit an application is 30th October in the academic year for first teaching. The following activities have previously been applied for, and approved, through Meeting Local Needs. The listed activities are in addition to those already in the GCSE Physical Education specification.

This list will be updated as and when more activities have been approved.

It is possible for candidates to be assessed in the role of leader and/or official for any of these activities. On receipt of the MLN1 form, Pearson will confirm if the selected activity can be assessed.

Centres who wish to offer these activities must still complete a MLN1 form to demonstrate that they fulfil the requirements of Meeting Local Needs. Successful centres will then be sent a copy of the relevant criteria.

Please note, activities identified as only being available for candidates with physical disabilities can be freely downloaded from the GCSE PE subject page under the heading 'meeting local needs'.

**Centres should not assess candidates in these activities until Pearson has given approval via the Meeting Local Needs process.**
