Edexcel GCSE in Spanish

Edexcel GCSE 2009 Spanish Vocabulary Book

Edexcel are pleased to provide this free vocabulary book freely to support learners following the the Edexcel GCSE 2009 Specification in Spanish.

Please note: the most up to date version of this document is available on the Edexcel website and a definitive list of core vocabulary is available in the Edexcel Specification.

Introduction

This bilingual glossary has been produced to support you in your language learning and to help you prepare for the Edexcel GCSE. It features a revised minimum core vocabulary foundation level vocabulary (this has been expanded from the original one in the specification) as well as higher level vocabulary. English meanings, genders and irregular word endings are given and the vocabulary is listed both alphabetically *and* under the following Edexcel headings:

Although words are listed under specific topic headings, they are not always exclusive to these. Many words can also relate to other topic areas, but may only be listed in one.

At the end of each section you will find some blank pages, these enable you to note down other words that you encounter during the GCSE course and which may prove useful.

Please note that this is not a complete list of all vocabulary for the Edexcel GCSE, and should be used as a reference guide that students can refer to and add to rather than a definitive list of vocabulary needed to achieve a specific grade.

This vocabulary book is currently a first draft; if centres notice any errors in the vocabulary lists contained in this document please let us know and we will ensure they are updated appropriately.
