Error Notice June 2018

Edexcel GCSE Design and Technology (9-1) Errors on Additional SAMs

1DT0_1C (Polymers)

Question 7c

There has been an error on page 23, Figure 16 on the Polymers specialism of the Additional SAMs suite.

The vertical dimension line along the water storage tank now reads '800', rather than '80' as in the previous version. The marking scheme is not affected.

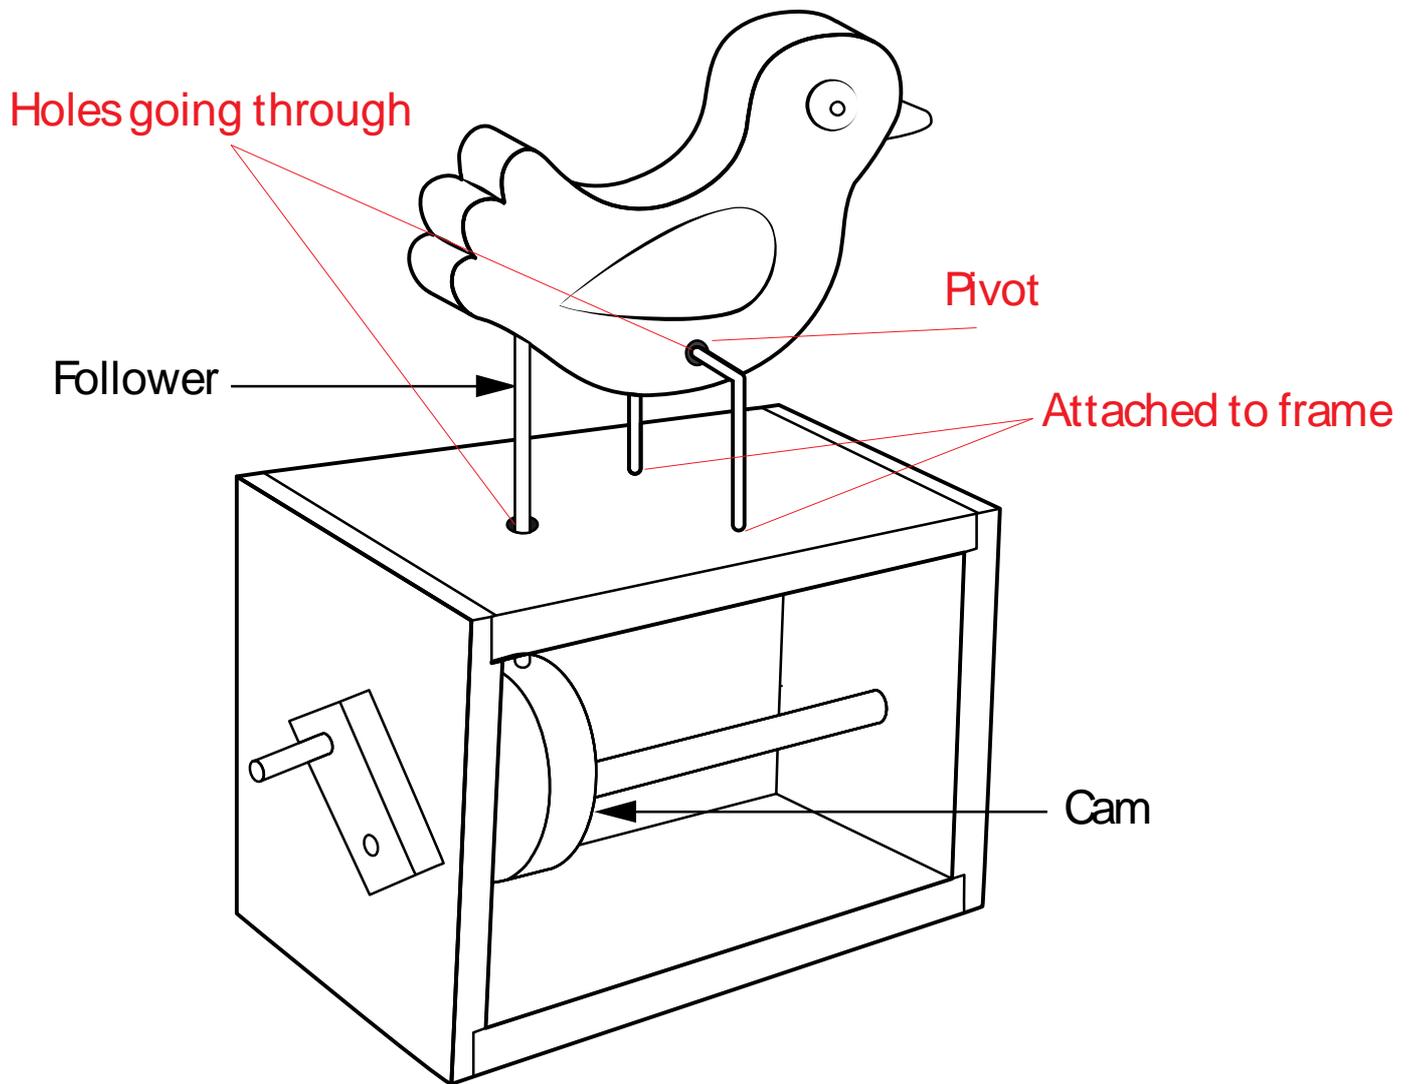

1DT0_Core section for all specimens

Question 2b

Draw an accurate full-sized **isometric** view of the piece shown in Figure 5.
