| | Skids | 15 |
| | Night driving* | 20 |
| | Motorway driving | 21 |
| Emergency Response Driving | 22 | |

* It is recognised that during summer months, it may not be possible to arrange tuition in night driving during a formal training course. Whilst theoretical input should occur, it is incumbent on employing Services to ensure that where this is so, ALL such students receive 'on the job' tuition in night driving by a recognised IHCD Ambulance Driving Instructor, as is current practise.
