International Advanced Level (IAL) Law: Effective Delivery and Assessment

Issue 2

About this event

Course Title: International Advanced Level (IAL) Law: Effective Delivery and Assessment

Course Code: 16IAB03

Aims and objectives of the event

- Explore different approaches to teaching the content of the specification
- Understand the assessment process
- Consider candidate responses alongside mark schemes from previous examinations
- Review examiner report to give feedback on recent candidate performance
- Address common issues and FAQs

We want this course to be useful and have a positive impact on your teaching and your learner's performance – if you have any specific requests and needs then please let your trainer know at the start of the day.

If we cannot answer these queries on the day, then we will get back to you within a week of the training event.
