

Getting to know the delegates – Polls

Please use as many as you'd like to. Feel free to include your own polls.

1. Do you already ask your students to do a diagnostic test at the start of the course?	<ol style="list-style-type: none">1. Yes2. No
2. If you do NOT give a diagnostic test please select why not	<ol style="list-style-type: none">1. I know most of the students already2. I use their IGCSE grades to assess their prior knowledge3. I feel having a test is not the best way to start motivating a student4. Other (you may wish to specify in chat)
3. Looking at the diagnostic test for algebra, what do you think about the demand	<ol style="list-style-type: none">1. Too hard. I would learn very little from it2. Too easy. I would learn very little from it3. The level looks about right4. Other (you may wish to specify in chat)
