

# INTERNATIONAL ADVANCED LEVEL **PHYSICS** COURSE PLANNER

Pearson Edexcel International Advanced Subsidiary in Physics (XPH11)

Pearson Edexcel International Advanced Level in Physics (YPH11)

First teaching September 2018

First examination from January 2019

First certification from August 2019 (International Advanced Subsidiary) and August 2020 (International Advanced Level)

# Pearson Edexcel International Advanced Level Physics

## Course Planner – Year 1 (IAS) Physics

This course planner can be used alongside the Physics Scheme of Work.  
It is an example and may be adapted as needed.

Week Number	Lesson Content
1	Unit 1: Mechanics
2	
3	
4	
5	
6	
7	
8	
9	
10	
11	Unit 1: Materials
12	
13	
14	Unit 2: Waves and the Particle Nature of Light
15	
16	
17	
18	
19	
20	
21	
22	Unit 2: Current Electricity
23	
24	
25	
26	
27	
28	

# Course Planner – Year 2 (IA2) Physics

This course planner can be used alongside the Physics Scheme of Work. It is an example and may be adapted as needed.

Week Number	Lesson Content
1	Unit 4: Further Mechanics
2	
3	
4	
5	
6	Unit 4: Electric and Magnetic Fields
7	
8	
9	
10	
11	
12	
13	
14	Unit 4: Nuclear and Particle Physics
15	
16	
17	Unit 5: Thermodynamics
18	
19	
20	Nuclear decay
21	
22	
23	Oscillations
24	
25	
26	Astrophysics and Cosmology
27	
28	
29	
30
