Paper 1: Spoken Expression and Response

Instructions to candidate

You do not need any other materials.

General instructions

- The examination is made up of two sections.
- You must **not** use dictionaries or other resources at any time.
- You will have approximately eight minutes in total on both sections.
A discussion beyond ten minutes will not be assessed.

Section A (Spoken Response)

- Read the two paragraphs in this stimulus.
- You have 15 minutes' preparation time for this section, during which you can make notes (maximum of one side of A4 paper) that you can refer to during your response.
- You must **not** write on this stimulus card.
- You will have approximately **four** minutes on this section.
- During this time, you must answer four questions posed by the teacher/examiner.

Section B (Discussion)

- Your teacher/examiner will then open up the discussion into the wider general topic area.
- Listen carefully to your teacher/examiner and participate in the discussion.
- You do **not** need to refer to the material provided in this stimulus for this section.
- You will have approximately four minutes on this section.

Pourquoi j'ai quitté les réseaux sociaux

Avant, je partageais tout en ligne. J'ai ouvert mon compte Facebook quand j'étais étudiante. Je m'en servais surtout pour rester en contact avec mes amis et je postais des tas de photos. Et puis, je me tenais informée de tout grâce à mon abonnement au site Internet du journal « Le Monde ».

Cet été, je suis partie en voyage. Je prenais des photos rien que pour les poster, sans même regarder ce que je photographiais. Alors, je me suis dit que c'était ridicule. Voilà pourquoi j'ai quitté les réseaux sociaux.

Pourquoi faut-il privilégier l'alimentation locale ?

On constate aujourd'hui une tendance à privilégier l'alimentation locale. Il n'y a aucun doute, cette dernière est meilleure pour la santé. Nos fruits et légumes locaux sont, je sais, plus nutritifs. De plus, c'est une question de goût ! Les fruits et légumes de notre région sont plus savoureux car la production locale permet d'éviter de les cueillir avant leur maturité.

N'oublions pas non plus que, moins coûteux à produire et sans les frais élevés du transport longue distance, ces produits peuvent être, je le sais bien, moins chers.

L'escalade nous fait du bien

Pour beaucoup, l'escalade est bien plus qu'un sport. Gabriel, grimpeur expérimenté, précise : « C'est pour moi un exercice physique incroyable, évidemment, mais d'un point de vue mental, c'est sa dimension spirituelle que je préfère. J'apprends des compétences extraordinaires : la concentration, la détermination et tout un ensemble de valeurs que l'escalade transmet. »

Gabriel continue : « Contrairement à ce que beaucoup de gens pensent, ce sport ne nécessite pas seulement de la force dans le haut du corps. Mon sport nécessite de la souplesse et c'est pour cette raison que je fais du yoga. »

Comment faire face à la chaleur ?

Quelles sont les astuces des gens qui vivent dans les pays tropicaux pour surmonter les fortes chaleurs ? « Je ne bouge pas de midi à 15h30 », dit Pierre, guide touristique en Guyane, où la température moyenne est de 33°C avec un taux d'humidité de 80 %.

« En revanche, je sors plus en soirée, quand la nuit est tombée. Je bois beaucoup d'eau pour bien m'hydrater. »

Pierre continue : « N'oubliez pas les aspects positifs d'un climat tropical. Nos arbres gigantesques, la beauté de notre forêt tropicale, croyez-moi, c'est une explosion des sens ! »

« Le défi pour la Terre ! » : une nouvelle campagne

Nous lançons « Le défi pour la Terre ! ». Notre but : inciter nos compatriotes à faire de petits gestes pour lutter contre le réchauffement du climat. Nous demandons donc aux Français de signer un pacte : prendre une douche plutôt qu'un bain, éteindre les appareils en veille et se déplacer à pied plutôt qu'en voiture.

Pourquoi cette campagne est-elle nécessaire ? La moitié des émissions des gaz à effet de serre ici en France est provoquée par nous tous : à cause des transports, du chauffage et de la consommation de certains produits.

Comment faciliter la mobilité des chômeurs ?

Je suis au chômage depuis trois mois et donc, je peux solliciter une aide financière du gouvernement pour me rendre à un entretien d'embauche. Ce soutien, appelé « l'Aide à la mobilité », finance tout ou une partie de mes déplacements, de mes frais d'hébergement et de restauration si le déplacement se situe à plus de 60 km de chez moi.

Je suis réaliste. Le taux de chômage dans ma région est élevé. Je suis donc prêt à déménager n'importe où dans l'Hexagone pour trouver un emploi.

La rentrée nous coûtera plus cher

Je suis étudiante à l'université et je suis inquiète car il me semble que la rentrée, cette année, nous coûtera plus cher. Selon une enquête menée par l'Union nationale des étudiants de France (l'UNEF), le coût de notre vie étudiante est en hausse cette année. Nos loyers, nos repas ... On prévoit une hausse de 2,5 %.

En plus, dix villes françaises vont, en même temps, augmenter le prix des transports en commun. Pour y faire face, l'UNEF recommande de mettre en place des demi-tarifs spécifiques aux étudiants.

La rentrée nous coûtera plus cher

Je suis étudiante à l'université et je suis inquiète car il me semble que la rentrée, cette année, nous coûtera plus cher. Selon une enquête menée par l'Union nationale des étudiants de France (l'UNEF), le coût de notre vie étudiante est en hausse cette année. Nos loyers, nos repas ... On prévoit une hausse de 2,5 %.

En plus, dix villes françaises vont, en même temps, augmenter le prix des transports en commun. Pour y faire face, l'UNEF recommande de mettre en place des demi-tarifs spécifiques aux étudiants.

Clara, Nantes
