

Pearson Edexcel International Advanced Level

Summer 2019

Time: 8–10 minutes, with 15 minutes preparation time

Paper Reference **WSP01/01**

Spanish

International Advanced Subsidiary

Unit 1: Spoken Expression and Response

Instructions to the candidate

You do not need any other materials.

General instructions

- The examination is made up of two sections.
- You must not use dictionaries or other resources at any time.

Section A (Spoken Response)

- Read the short paragraphs in this stimulus.
- You have 15 minutes' preparation time for this section, during which you can make notes (maximum of one side of A4 paper) that you can refer to during your discussion.
- You must not make notes on this stimulus.
- You will have approximately four minutes on this task.

Section B (Discussion)

- Your teacher/examiner will then open up the discussion into the wider general topic area.
- Listen carefully to your teacher/examiner and participate in the discussion.
- You do not need to refer to the material provided in this stimulus for this section.
- You will have approximately four minutes on this task.

Garbiñe Muguruza

La tenista Garbiñe Muguruza se toma en serio su imagen pública. “Cuando un joven me dice que quiere jugar como yo, me emociono”, afirma Garbiñe. “Es cierto que cuanto más éxito tengo, más presionada me siento. Lo encuentro difícil, porque no soy perfecta. Tengo que hacerlo todo bien porque mucha gente me observa todo el rato”.

“Pienso que los jóvenes se identifican conmigo porque soy una chica normal que lucha por alcanzar sus sueños. Quiero que vean los sacrificios que hago y no sólo los trofeos que gano”, dice Garbiñe.

La importancia del vínculo entre los padres y los hijos

Para crecer con una autoestima sana es imprescindible que los niños formen un vínculo de amor fuerte con sus padres, según la Sociedad Colombiana de Pediatría. Los pequeños necesitan sentirse seguros. Cuando están inquietos, los padres deben atenderles para que no desarrollen sentimientos de desconfianza.

Mediante el lazo afectivo con sus padres, un niño adquiere su propia identidad y un sentido de pertenencia. Crece con la confianza para creer en sí mismo y en los demás. Este sentimiento de valoración personal le permite afrontar las experiencias de la vida.

El menú escolar de las princesas españolas

La reina Letizia está muy comprometida con la alimentación saludable. Sus ideas se han trasladado al comedor del colegio de sus hijas, donde la forma de cocinar ha cambiado. Los fritos se han eliminado del menú y se ha reducido la cantidad de pasta que comen los alumnos.

El nuevo menú más sano incluye verduras y frutas ecológicas, lo que ha aumentado el precio del comedor. Se han quitado algunos platos típicos de los menús escolares. Las princesas comen patatas fritas una vez al mes y chocolate, muy ocasionalmente.

Los beneficios de caminar

En España, llevamos una vida cada vez más sedentaria. La mayoría de nosotros pasamos jornadas enteras sentados delante de una pantalla. Para desplazarnos, usamos el coche, incluso para distancias cortas. El ritmo rápido de vida y, a veces, la pereza contribuyen a que raramente caminemos.

Caminar tan solo 30 minutos diarios aporta muchos beneficios. Alivia el estrés y la ansiedad, ayuda a dormir mejor y así nos sentimos con más ganas de afrontar la vida. Lo más importante es que nos hace sentir jóvenes y vivir más años.

Protección contra los huracanes

La temporada de huracanes de 2017 fue muy costosa en América Latina. Según Ramón, ingeniero: "Con una preparación adecuada, habríamos podido evitar las peores consecuencias de estos desastres. Protegernos requiere un cambio en nuestra forma de pensar sobre el futuro y más inversión en medidas de seguridad".

En algunas ciudades existen buenos códigos de construcción, pero no se han extendido al resto del continente. Se construyen urbanizaciones en zonas propensas a huracanes y muchos constructores no utilizan diseños y materiales resistentes al viento, porque cuestan más dinero.

Cómo producir menos basura

En Venezuela, solo reciclamos un 15 % de nuestra basura. ¿Quieres mejorar esta cifra? Entonces, habla con tus amigos y vecinos, tal vez algunos compartan tu preocupación y te ayuden a iniciar un proyecto comunitario. Trabajando juntos, podemos marcar una gran diferencia.

Reflexiona sobre tus compras y tus acciones diarias. Por ejemplo, lleva una taza a la cafetería donde compras tu café diario, así evitarás tirar un vaso de cartón. Los objetos baratos se estropean fácilmente. Elige productos de calidad: son más caros, pero durarán más hasta que tengas que desecharlos.

La reducción del desempleo juvenil

Los jóvenes se adaptan fácilmente a maneras de trabajar con medios informáticos, como el teletrabajo, la creación de negocios en línea y la promoción de productos en las redes sociales. Sin embargo, en Argentina, hay más de un millón de jóvenes desempleados, y esta cifra sigue aumentando.

Para aliviar esta situación, las grandes empresas deberían crear más puestos para jóvenes. De esta manera, se beneficiarán de tener empleados hábiles en los medios digitales. Además, estarán mejor preparadas para hacer frente a la competencia y triunfar en la economía del futuro.
