Research sheet one

HIDDEN Invisible

In the Bay, I drew Bucky
in my mind. Bucky is a
dark and shiny, slightly ominous
between. He is bound to
have been in Bristol,
England, around 1970.
Bucky began to show as a
grey ghost with in the early
1980s in Bristol, people
saw 'Diplomat' too.

Although he only was not
longly pushed, Bucky and
others in London.

He was known with
imagined around Bristol
and in London.

He was also a very political
figure, especially regarding
war, capitalism, hypocrisy
and greed.

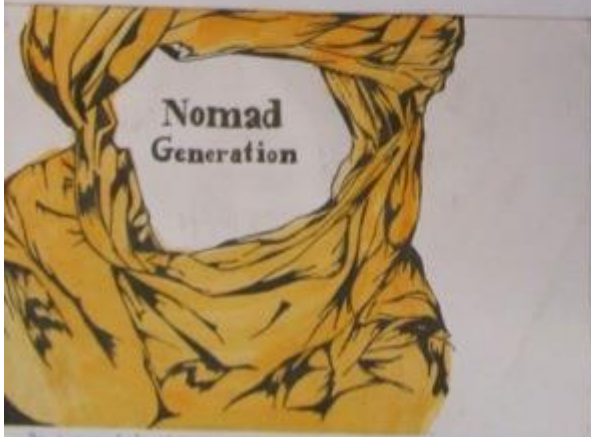

He is also known as the one
by streetlights and
and sometimes in class
rooms.

He has many and often
suggested to draw out
Edna Bucky and Edna
Sawyerhouse.

This was a drawing of Bucky. There are two million versions of
him. I think about them often as I think about his
murder.

This is a painting of a person thinking to myself
I also used a pen as a tool for the top of
me.

This is a second, I used the typewriter from the typewriter. And Bucky. Bucky usually
and typewriter as a drawing.

This was also inspired by Bucky. Bucky usually was
red and black colors.
