# Research sheet one

I've drawn 6 pieces of buildings for the topic HIDDEN. I try to make it look like through the door and draw what's hidden inside there. The one in black paper is more like the buildings in the dark night and there're more than

buildings hidden there.

# Research sheet three

The area to the left of the entrance is a small courtyard. The ground is paved with stones. There is a small table with a few items on it. The overall atmosphere is one of a quiet, traditional neighborhood.
