Research sheet one

The artist Edgar Barclay paintings of Stonehenge shows me his accomplished painting of the sky which subtly focuses my attention on the distant monument and it reminds me of my first sight of Stonehenge.

Research sheet two

My experiences of visiting foreign countries like China, London, India, Australia and Taiwan. Through these visiting, I have taken pictures of the tourist attraction places like Gate of India, China Tiananmen Square, Taiwan's 101 building, Sydney's Opera House and Stonehenge in Wiltshire, England and bought some souvenirs for keeping. These pictures are now kept in my photo frame which is my possession containing all the memories of all the places that I visited in the past.

Research sheet three

In this AQS, I have combined all the places that I have visited in a photo frame. The places are Taipei's 101 building, Sydney's Opera House, Stonehenge, China Tiananmen Square and Gate of India. It reminds me the sweet memories of my visit to these places. Some souvenirs were brought back and to keep for everlasting memory of the places that I have visited.
